Weight (g)	Individual Packing
137.8±3	Blister Card

Replacement blade
Model No.: DK-2039-B(6Pcs/Pack)

Step 1:
Snap-off dull blade to instantly expose a new fresh sharp point.

Step 2:
After the last tip is used, slide "Blade Auto Lock" forward and remove the used blade. Then slide the "Blade Auto Lock" all the way back to automatically load the next blade.
