

EPIR3

STANDALONE GSM ALARM SYSTEM

EPIR3 is a standalone, portable security system designed for both end users and professionals, suitable for protection of residential and business properties. The system is compact and user friendly, therefore can be easily installed in less than 5 minutes.

The system supports Contact ID protocol, making the EPIR3 compatible with global security protocol standard, allowing output to any monitoring station.

Monitoring station support: Ademco, Contact ID, GPRS

Voice calls or SMS to 10 authorized users

TECHNICAL SPECIFICATIONS

On-board outputs **1 wired for siren connection or event indication via LED**

Expandable zones **up to 34**

Expandable programmable outputs **up to 32**

Wireless **868 MHz integrated**

Supply voltage **11-15V**

Wired zones **1 (for wired sensor connection)**

Wired output **1 (for wired siren connection)**

Expandable wireless devices: (zones, PGM, key fobs, etc.) **16**

Event Buffer **100**

Microphone **yes**

Built in GSM/GPRS module **850/900/1800/1900 MHz**

GSM antenna type **internal**

Ways of event communication **Ademco Contact ID, SMS, Voice Calls, GPRS**

Authorized users **10**

Backup battery **Yes, built-in**

Detection angle and range **90° up to 10 m**

Backup battery **Ni-Mh, up to 24 hours**

Dimensions **120x65x60mm**

THE BEST INNOVATION PRODUCT

INTERNATIONAL PROTECTION, SECURITY AND FIRE SAFETY EXHIBITION MIPS 2014

COMPATIBLE WITH ELDES SMART SECURITY

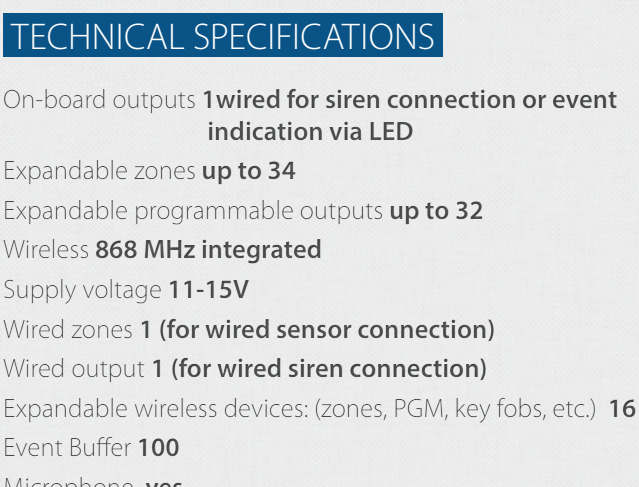

PET-IMMUNE

ANDROID SOFTWARE

IPHONE SOFTWARE

Integrated GSM module

868 MHz wireless

Backup battery inside

SIM card holder

FEATURES

- Easy configuration (USB, Internet or SMS)
- Back up battery
- Covert listening
- Motion detection
- Arming/disarming via phone. Customisable SMS notification
- Powerloss identification and reporting

STANDALONE GSM ALARM SYSTEM EPIR3 AND ACCESSORIES

UP TO 16 EXPANDABLE WIRELESS DEVICES

SECURITY CONTROL VIA INTERNET
AND/ OR SMARTPHONE APPLICATION
POWERED BY ELDES SMART SECURITY -
CLOUD-BASED PLATFORM.

APPLICATIONS

-  APARTMENTS
-  SUMMER HOUSES
-  GARAGES
-  SMALL SHOPS
-  CAMPERS
-  BOATS
